

# CONGRATULATIONS!

## DAMIEN ZANOLINI ON YOUR RECORD BREAKING SALE

Coldwell Banker Island Properties would like to congratulate Damien Zanolini on a job well done. Damien has just sold the highest priced residential property on Maui for 2008 and 2009 YTD. This is also the highest priced home ever sold on Keawakapu Beach for \$11,250,000.

WHEN IT IS TIME TO SELL, CALL DAMIEN DIRECTLY AT 808.281.4669. HE WILL GET THE JOB DONE.  
Here is what the owner's had to say:

*Damien,*

*Mary and I would like to thank you for your hard work and perseverance in selling our Maui property. The market over the past nine months was working against us, however, you brought in qualified showings and presented an offer (actually a few offers) which was accepted by us. Please feel free to use us as future references as needed.*

*Best wishes, Mary and Doug Hajjar*
